

BOOKING TERMS AND CONDITIONS

1. Introduction

Please read the following terms and conditions carefully. You must not make any booking unless you understand and agree with the following terms and conditions. References to “us”, “we” and/or “our” in these Booking Terms and Conditions shall mean the owners of “Hello Lucy Lou”, “Louie”, “Luna” and “Vinnie”. By booking our service you are deemed to have agreed to these Booking Terms and Conditions (which constitutes the entire agreement between you and us) and your booking will be accepted by us on this basis. The services to be provided are those referred to in your booking invoice.

2. Provision of Beverages

You are to provide all alcohol, mixers, soft drinks and water for your service unless otherwise agreed. Although we supply water at the bar in a dispenser, this is not enough to hydrate large guest numbers and long service times. To ensure your guests have adequate hydration whilst drinking alcohol individual size bottled water is to be provided by you. A minimum of 3 bottles of water per guest is required. In extreme weather with temperatures above 34 degrees, this amount needs to be doubled. BYO means buy your own it does not mean your guests bring their own. All drinks are to be prechilled before our arrival time. A cool room is advisable for guest numbers over 40. The cool room is to be located close to the bar to avoid delays in drink service. If eskies/drink tubs are provided ensure that two thirds of the drinks purchased can be chilled down. Remember to supply enough ice to last the length of the service. We will recommend the amount of ice subject to length of service and weather conditions. We prefer beer to be served in bottles. If you wish for us to serve your beer in mason jars these will be supplied at an additional cost.

3. Bar Service

We provide bar service from the mobile bar. If table service is required, this is to be advised at time of booking. Additional staff will need to be engaged to cover this request. Our packaged bar service is of bottled or canned beverages only; champagne, beer, wine, cider and premixed spirits. If you require spirit or cocktail service this must be agreed to at time of booking. Cocktail service requires a mixologist, specialised barware, additional glassware, ice and staff to operate at full efficiency. Any alterations to quoted drink selection is to be received 4 weeks out from your event. Changes may result in additional fees. Failure to advise us of any change will result in refusal of service or incorrect glassware supplied. We provide self-serve station for soft drinks and water. Soft drinks to be served in cans. If large bottles of soft drinks are purchased, please supply cups. If you wish for us to serve and supply glassware for soft drinks this is an additional cost. We use disposable cups for the final 30 minutes of service to ensure we can collect all glassware at the conclusion of our service. Any glassware that is unable to be located at the event space at the conclusion of your event will be collected at a later date with travel fee applied and invoiced to you.

4. RSA Service

All alcohol is to be served by the Hello Lucy Lou RSA staff or as otherwise agreed at the time of booking. Our staff are trained in the Responsible Service of Alcohol and are obliged to ensure these laws are adhered to. Under the Liquor Act 2007 it is against the law to sell or supply alcohol to, or to obtain alcohol on behalf of, a person under the age of 18 years. If anyone looks under the age of 25 they will be required to show ID. We have a legal requirement to refuse service of alcohol to any guest considered to be intoxicated. Intoxicated guests are either cut off or paced when required, with any uncooperative guest(s) being refused further service. No self-service of alcohol is allowed at any time during the event. All alcohol is to be in the possession of the bar, any individuals that bring their own alcohol are required to relinquish all alcohol to the bar staff until the end of the event, where it will be handed back. We reserve the legal right to cease service, close the bar and remove bar staff from site if you or your guests act in a way that means

the conditions of our liquor license and RSA legislations are breached. Whilst we are at your event the mobile bar becomes a licensed venue, therefore all licensing laws apply as they would for a bricks and mortar bar. No shots, doubles or neat drinks will be served. We are unable to offer individual spirit service; in our experience this creates discontent with your other guests and creates confusion at the bar especially if these individuals are drinking the same drink but from different bottles. Exception for the Bride, Groom or Parents of the Bride and Groom.

5. Taxes and Surcharges

Surcharges apply for services that are booked on Public Holidays, Christmas Eve, Christmas day and New Year's Eve and after 12.00am. If travel to your event is required on a public holiday ie: Good Friday to service your event on the following day Easter Saturday and travel home on Easter Sunday this will be taken into consideration and charged accordingly. All prices advertised are free of GST.

6. Booking on Behalf of Others

If you require lights and usage of our bar fridges, you are to provide power within 30 metres. Where power is not available you must advise us at the time of booking. A generator may be hired for an additional fee.

If you wish to have an additional service area, or have the bar moved during service, this is to be discussed at the time of booking. A \$250 charge will be incurred if the bar is to be relocated during service or if an additional service area is requested on the day.
